THIS IS NOT INSURANCE - VOID WHERE PROHIBITED BY LAW

If you have prescription insurance, ask your pharmacist to compare this program to your copay for the lowest price. We are lower than insurance copays on 21 of the top 25 generic drugs. Share this program with family and friends! Save on your pet's medications too. Ask your veterinarian to write a human equivalent script, if available. This card is reusable and never expires.

**STEP 1** Compare prescription prices at [MPDRx.com](http://MPDRx.com)

**STEP 2** Give this card to the pharmacy on every visit.
